

South Island Secondary School Championships 2018 Programme

Welcome

Upper Clutha Orienteering Club and Remarkables Orienteering Club welcome you to the Queenstown Lakes area for what should be an excellent two days of orienteering on some very scenic maps.

A big thanks goes to the landowners Allenby Farms and Deer Park Heights for making these events possible on the superb terrain. Thanks also to Dunedin Orienteering and Peninsula and Plains Orienteers for their help and support. Thanks to ONZ Event Liaison Russell Higham for his help with the New Zealand Secondary Schools Sport Council sanctioning.

Finally, thank you to everyone who has offered to help out with the events. With two rather new clubs hosting the races, the proactive offers of help has been most appreciated and rather humbling what a generous bunch of people orienteers.

Good luck and we hope you enjoy the orienteering.

Registration

All competitors need to register at the event centre and pick up their timing tag. These need to be handed back in after your last race. Anyone who fails to return their timing chip will be charged \$50.

Timing System

Both events will use the SFR punching system. Competitors will wear a tag on their finger which must be cleared before starting. A clear unit will be available at the start.

To punch a control, place your tag over the printed coloured circle on the green control units. These circles will either be red with SFR logo or have the Shotover Primary School logo.

For the Long and Sprint events you will need to punch a start box to start your timing. For all events, competitors need to punch the finish box to finish timing.

Maps

Maps will not be collected at the completion of the race, but they must not be shown to anyone yet to compete. Anyone found to be involved in showing or viewing maps as such will be disqualified.

This event is sanctioned by the New Zealand Secondary Schools Sport Council (NZSSSC) and run under the rules of Orienteering New Zealand.

Health and Safety

Due to the fire risk for both events absolutely no smoking or fires.

Any competitors who fail to complete their course must still return to the finish.

Water

Please note: Water will be provided at the event centre but in order to reduce waste disposable cups will not be provided. Please bring your own reusable vessel.

Monday 23 April Long Distance

Map: Mount Iron

Terrain: Mount Iron is an impressive, glacier carved, rocky knoll that rises nearly 250 m above the surrounding countryside. The competition area is on private land consisting of low kānuka shrubland with rock and contour detail.

Scale: 1:4,000

Contours: 2.5m

Planner: Fraser Mills

Controller: Chris Forne

The map has been drawn according to the sprint specification and sprint rules will apply. See the legend from the competition map on the right.

Directions

Mt Iron is located between Wanaka and Albert Town. Access will be from the north side from Hidden Hills Drive which is off Aubrey Road.

Please park in Hidden Hills Drive. The event centre is a five minute walk further up the hill. The only toilets for the event will be at the top of Hidden Hills Drive

The registration, start and finish are all at the event centre. Competitors may warm up on the land to the north of the main access track to the event centre. All area to the south of the track is the competition area and is out-of-bounds.

Water

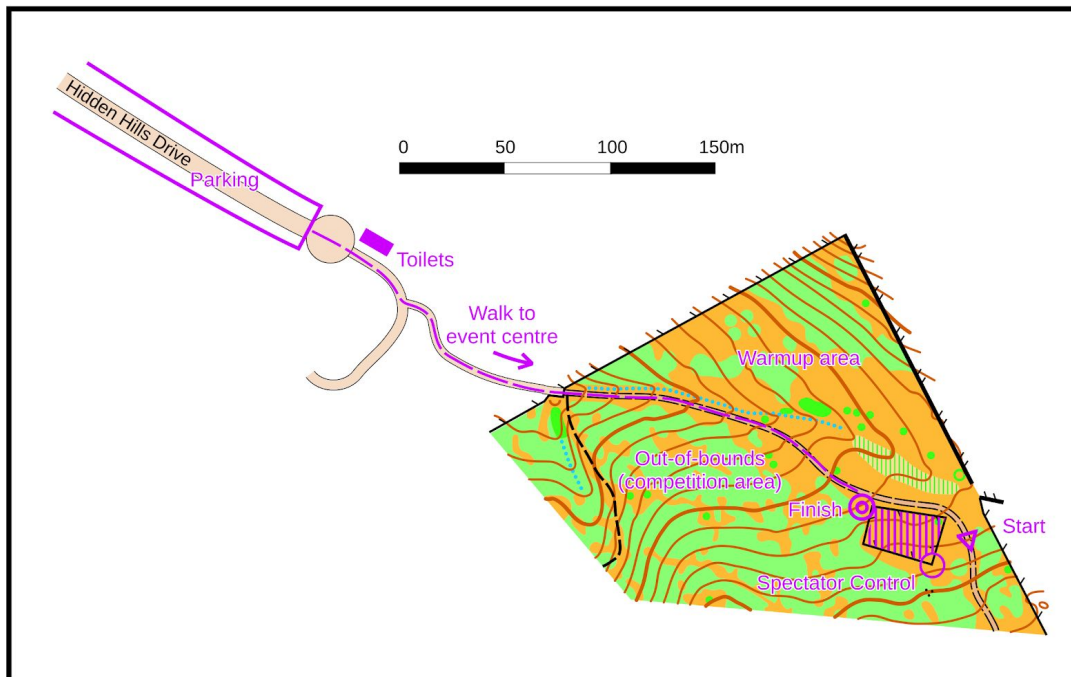

As for both events, water will be provided at the event centre but please bring your own vessel.

All winning times should be well under one hour and there will be no water out on the course. Red Long competitors do have a spectator control approximately halfway through their course and are welcome to leave a drink bottle to use as they come through.

LEGEND

-  Contour
-  Slope line
-  Index contour
-  Small depression
-  Impassable cliff
-  Passable rock face
-  Passable rock face
-  Passable rock face
-  Stony ground

-  Prominent bush or small tree
-  Fallen tree
-  Rough vehicle track
-  Track
-  Less distinct track
-  Passable fence
-  Impassable fence

Event Layout

Registration

On arrival to the event centre please register to pick up your timing tag. For those not competing on Tuesday you will need to return your tag

Timetable

11:00am Registration opens
12:00pm First start
2:00pm Last start
3:00pm Prize giving
3.30pm Course Closure

Health and Safety

Full body cover is recommended.

Due to some areas of dense kānuka, competitors are advised to consider eye protection. Participants are also advised to carry a whistle at all times. The emergency signal being three blasts on the whistle.

The ground is steep in places and participants should be aware of rocky ground and small rock cliffs. Please be aware of rabbit holes, particularly in open areas.

Participants clothing will be checked at the start line, and will not be allowed to start if found inadequate for the conditions. The current weather forecast is fine with a high of 16 degrees.

The safety bearing is north. Continue downhill until you reach the event centre or parking.

While the competition area is on private land, there is a track that runs through it which provides public access to the top of Mount Iron so it is possible participants may encounter members of the public.

Distances

Course / Grades	Length	Climb	Controls
White Year 4/5/6 Boys / Girls Year 7/8 Standard Boys / Girls Junior Standard Boys / Girls	1.3 km	100 m	11
Yellow Year 7/8 Championship Boys / Girls Junior Championship Boys / Girls Intermediate Standard Boys / Girls Senior Novice Boys / Girls	1.3 km	115 m	9
Orange Intermediate Championship Boys / Girls Senior Standard Boys / Girls	2.7 km	210 m	13
Red Short Senior Championship Boys / Girls	2.5 km	195 m	17
Red Medium	2.9 km	235 m	18
Red Long	4.7 km	355 m	27

Control Descriptions

Descriptions will be provided in English for White and Yellow courses. In English and IOF symbols for the Orange course and IOF symbols only for the Red courses. Loose descriptions will be available at the start line and will also be printed on the map.

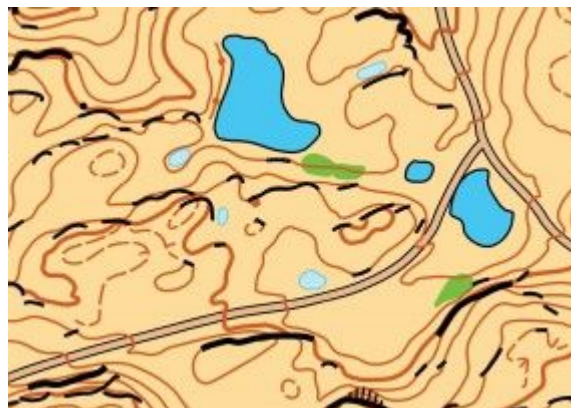

Tuesday 24 April: Sprint and Relay / Mass Start

Map: Deer Park Heights

Scale: 1:4,000

Contours: 2.5m

Terrain: Deer Park Heights is prominent, glacier carved hill with superb views over Queenstown and surrounds. The competition area is on private land consisting of open grass with rock and contour detail. This area has been unused for many years and is remapped for this event. Previously mapped by Bruce McLeod in 2006.

Planner: Chris Forne

Controller: Fraser Mills

Both races will be run in accordance with sprint rules. In particular, it is forbidden to cross symbols marked as impassable. i.e. impassable cliff (fat black line, usually with tags).

Please note there will be limited toilet facilities at the event centre so we recommend you come to the event as prepared as possible.

Directions

From Queenstown Airport head south across the Kawarau River and take first right onto Peninsula Rd.

Follow this for 4km to the turn off to Deer Park Heights. (This will be signposted on the day from Peninsula Rd)

From here it is approximately another 4km up to the top of the hill, where there is the Parking/Start/Finish/Registration.

This area is all private property and we have been asked to keep the entrance gate closed, so please close the gate behind yourself.

Registration

If you have not already registered for the SI Schools champs / Public events, please go to registration to collect your electronic timing tag.

Schools will also need to register their relay teams before 10:30am, detailing grade, team members and running order for the relay.

The relay is a three person team, with the grade being decided by the oldest team member and mixed gender teams competing in the Boys category.

We are accepting combined teams from different schools, and expect many schools will need to do this to form a full team.

If you have not been able to find/form a team then let us know and we will assign you to a team

Note: Combined teams from different schools will not be eligible for a schools title.

Timetable

8:00am onwards - Registration

9:00am - 10:00am - Sprint Distance start times (see start list)

11:00am - Briefing for Mass start

11:10am - Mass start public event

11:20am - Briefing for relay, showing start, change over and finish procedure.

11:50am - Schools relay, start (first leg runners)

12:10pm - Schools relay, mass start for all remaining second leg runners

12:30pm - Schools relay, mass start for all remaining third leg runners

1:00pm - Prize giving

Distances

Sprint Distance

Course / Grades	Length	Climb	Controls
White Year 4/5/6 Boys / Girls Year 7/8 Boys / Girls	1.6 km	68 m	15
Yellow Junior Boys / Girls	1.8 km	78 m	13
Orange Intermediate Boys / Girls	2.0 km	105 m	13

Red Short	1.8 km	88 m	11
Red Medium Senior Boys / Girls	2.3 km	130 m	15
Red Long	2.6 km	158 m	14

Mass Start and Relay

Course	Length	Climb	Controls
White/Yellow Year 4/5/6 Boys / Girls Year 7/8 Boys / Girls Junior Boys / Girls	1.0 km	50 m	8
Orange Intermediate Boys / Girls Senior Boys / Girls	2.0 km	95 m	10
Long (Red)	3.7 km	190 m	19

Control Descriptions

See an example below. White and Yellow courses will use text. Orange and Red courses will use symbols.

Health and Safety

The event covers some steep country in parts, including numerous cliffs and bluffs. Please be aware the grass can be very slippery in places!

Safety Bearing: Head towards the top of the hill, then follow road to Start/Finish area.
